Hello Team Bonin! I just wanted to follow up on the Hollywood Chamber of Commerce's earlier meeting request sent in January. We are eager to meet with the Councilmember to discuss several items of importance to the greater LA business community.

Please let me know as soon as possible when we can get something scheduled.

Thank you!

Subject: Meeting Request - Councilmember Bonin

Importance: High

The Hollywood Chamber of Commerce would like to schedule a meeting with Councilmember over the next few weeks to discuss several City issues of importance to the LA business community. Issues would include minimum wage, street vending, and business tax reform. The meeting would include Hollywood Chamber President & CEO Leron Gubler, as well as 3-4 LA business owner members.

The Chamber recognizes the Councilmember's busy schedule and is happy to coordinate a time that works best for your office. Given that the meeting attendees will need to take off time from running their businesses we would hope that we can give the attendees at least 3 or 4 days advance notice of the meeting. We are hoping that the meeting can be scheduled sometime over the next two weeks if possible.

Please let me know what day the Councilmember would be available.

Thank you!

Warmest Regards,

Nicole Shahanian
